1975 yılında doğan Metehan Özcan 1993-1995 yıllarında St. Louis Üniversitesi'nde mimarlık önlisans eğitimi aldı. Lisans derecesini Bilkent Üniversitesi İç Mimarlık Bölümü'nde (2000), yüksek lisans derecesini Bilgi Üniversitesi Görsel İletişim Tasarımı Programında aldı. (2012) Gazi Üniversitesi İletişim Fakültesi'nde (2000) ve Amerikan Hastanesi Galerisi Operation Room'da (2010) kişisel sergiler açtı. 2009 yılında Slag Gallery New York'da ve 2011 yılında Galeri Nev Ankara'da karma sergilerde yer aldı. Özcan çoğunlukla modernist mekanın varoluşunu ve temsiliyetini sorgular. Minör tarih, kimlik, cinsiyet ve tasarım kültürü gibi kavramlar üzerinden işler üretmektedir.

1975 born Metehan Özcan completed a foundation on architecture studies at School of Polytechnic Studies, St.Louis between 1993 and 1995. He graduated from Bilkent University Department of Interior Architecture and Environmental Design at 2000. Completed his MFA thesis project at Visual Communication Design master program of Bilgi University (2012). He had solo shows at Gazi University Communication Faculty Gallery (2000) and Operation Room at American Hospital Istanbul (2010) Group exhibitions he participated were by Slag Gallery New York at 2009 and Galeri Nev Ankara at 2011. Özcan questions the existence and representation of modernist space. Most of his work mainly focuses on minor histories, identity and design culture.
